Zentrix Software (Pvt) Ltd

Company Handbook

Version 3.2 - Effective 1 January 2026

Covers: company overview, products and pricing, support and SLAs, HR policies, security, and FAQ.

1. Company Overview

Zentrix Software (Pvt) Ltd is a B2B software company headquartered in Colombo, Sri Lanka. Founded on 14 March 2018 by Nimali Perera (CEO) and Arjun Selvaraj (CTO), Zentrix builds workflow automation and analytics tools for small and mid-sized logistics, retail, and manufacturing companies.

As of December 2025, Zentrix has 142 employees across three offices and serves more than 1,300 customers in 18 countries. Annual recurring revenue (ARR) reached USD 11.4 million in fiscal year 2025, a 38% increase over fiscal year 2024.

1.1 Mission and Values

Our mission is to make operational software simple enough that a team of five can run it without an IT department. Our four core values are:

- **Clarity first:** we ship simple interfaces and plain-language documentation.
- **Own the outcome:** every feature has a named owner responsible for customer results.
- **Default to open:** internal roadmaps and post-incident reports are shared with customers.
- **Sustainable pace:** we do not reward overwork.

1.2 Offices

Office	Location	Headcount	Role
Headquarters	Level 12, Orion Tower, Colombo 02, Sri Lanka	86	Engineering, product, finance, leadership
Regional office	Kandy Tech Park, Kandy, Sri Lanka	31	Customer support and QA
Sales office	One Raffles Quay, Singapore	25	Sales, partnerships, customer success

1.3 Leadership Team

Name	Title	Joined
Nimali Perera	Chief Executive Officer and co-founder	2018
Arjun Selvaraj	Chief Technology Officer and co-founder	2018
Dilan Fernando	Chief Financial Officer	2020
Hannah Whitfield	VP of Sales (Singapore)	2021
Kavindu Jayasuriya	VP of Customer Support (Kandy)	2019
Dr. Sanjana Rajaratnam	Head of Security and Compliance	2022

1.4 Company Milestones

- **2018:** Company founded; first customer signed in September.
- **2019:** Launched FlowDesk, the first product. Raised USD 1.2 million seed round.
- **2021:** Opened Singapore sales office. Launched InsightBoard analytics.

- **2023:** Achieved ISO 27001 certification. Raised USD 8 million Series A.
- **2025:** Released Zentrix Assist, an AI-powered helper across all products. Passed 1,300 customers.

2. Products and Pricing

Zentrix sells three products. All plans are billed per user per month, and annual billing receives a 15% discount versus monthly billing. Prices are in US dollars and exclude applicable taxes.

2.1 Product Descriptions

FlowDesk is a workflow automation platform. Teams build approval flows, task routing, and document handling without writing code. It integrates with Slack, Microsoft Teams, Gmail, and more than 60 other tools through a connector library.

InsightBoard is a dashboard and reporting tool. It connects to databases such as PostgreSQL, MySQL, and BigQuery, and to spreadsheets, to produce live dashboards. Scheduled reports can be emailed as PDF or Excel files.

Zentrix Assist is an AI add-on available for FlowDesk and InsightBoard. It answers questions about a customer's own data in natural language, drafts workflow steps, and summarises dashboards. Customer data is never used to train shared models.

2.2 Pricing Plans

Plan	Price (USD / user / month)	Minimum users	Included
Starter	12	3	FlowDesk basics, 5 active workflows, 10 GB storage, email support
Professional	29	5	Unlimited workflows, InsightBoard, 100 GB storage, chat support, API access
Enterprise	59	25	Everything in Professional, SSO (SAML), audit logs, dedicated success manager, 99.95% uptime SLA, 1 TB storage

Zentrix Assist add-on: USD 8 per user per month on Professional and Enterprise plans. It is not available on the Starter plan.

Free trial: every plan includes a 21-day free trial. No credit card is required to start a trial.

Nonprofit and education discount: registered nonprofits and accredited educational institutions receive 30% off any plan.

2.3 Billing and Refunds

- Invoices are issued on the first day of each billing period and are due within 14 days.
- Accepted payment methods: Visa, Mastercard, American Express, and bank transfer (Enterprise only).
- Annual plans can be refunded in full within 30 days of purchase. After 30 days, refunds are pro-rated for unused full months only.
- Monthly plans are non-refundable but can be cancelled at any time with effect from the next billing date.
- Late payments over 30 days may result in account suspension after two written reminders.

3. Customer Support and Service Levels

Support is delivered from Kandy and Singapore, providing coverage from 06:00 to 22:00 Singapore time (SGT) on weekdays. Enterprise customers also receive 24/7 coverage for Severity 1 incidents.

3.1 Support Channels by Plan

Plan	Channels	Hours
Starter	Email (support@zentrix.example)	Weekdays 06:00-22:00 SGT
Professional	Email and in-app live chat	Weekdays 06:00-22:00 SGT
Enterprise	Email, chat, phone (+94 11 555 0142), dedicated Slack channel	24/7 for Severity 1; weekdays 06:00-22:00 SGT otherwise

3.2 Incident Severity and Response Targets

Severity	Definition	First response	Target resolution
Severity 1 (Critical)	Service fully unavailable or data loss risk	30 minutes	4 hours
Severity 2 (High)	Major feature broken, no workaround	2 hours	1 business day
Severity 3 (Medium)	Feature impaired, workaround exists	8 business hours	5 business days
Severity 4 (Low)	Question or cosmetic issue	2 business days	Next release

3.3 Uptime Commitment and Service Credits

Enterprise customers are guaranteed 99.95% monthly uptime. Professional and Starter plans target 99.9% but carry no financial guarantee. If Enterprise uptime falls below the commitment, service credits apply:

- Uptime between 99.0% and 99.95%: 10% credit of the monthly fee.
- Uptime between 95.0% and 99.0%: 25% credit of the monthly fee.
- Uptime below 95.0%: 50% credit of the monthly fee.

Credits must be requested within 30 days of the end of the affected month. Scheduled maintenance, announced at least 72 hours in advance, is excluded from uptime calculations. Maintenance windows are Sundays from 02:00 to 04:00 UTC.

3.4 Data Retention and Backups

Customer data is backed up every 6 hours and backups are retained for 35 days. After a customer cancels, data stays available for export for 60 days and is permanently deleted on day 61. Customers can request earlier deletion in writing, which is completed within 10 business days.

4. Employee Policies

4.1 Working Hours and Remote Work

Standard working hours are 9:00 to 17:30, Monday to Friday, with a 45-minute lunch break. Core collaboration hours are 10:00 to 15:00 Colombo time, during which employees are expected to be available.

Zentrix uses a hybrid model. Employees in engineering and product roles may work remotely up to 3 days per week. Support staff in Kandy work on-site because of shift coverage. Fully remote arrangements require written approval from the department head and the CEO. A one-time home-office allowance of LKR 75,000 is provided to each employee after probation.

4.2 Leave Entitlements

Leave type	Entitlement	Notes
Annual leave	21 working days per year	Up to 7 unused days can be carried over to the next year
Sick leave	14 days per year	Medical certificate required for absences longer than 2 consecutive days
Casual leave	7 days per year	Notify manager at least one day in advance where possible
Maternity leave	100 working days (fully paid for the first 84 days)	Applies to all female employees
Paternity leave	10 working days	Must be taken within 3 months of the birth
Study leave	5 days per year	For exams or approved certification courses

4.3 Probation and Notice Period

All new employees serve a 6-month probation period. During probation, either party may end employment with 7 days' written notice. After confirmation, the notice period is 30 days for individual contributors and 60 days for managers and above.

4.4 Learning and Development

Each employee has an annual learning budget of USD 600, usable for courses, books, conferences, and certification exams. Zentrix reimburses 100% of exam fees for certifications approved by a manager, such as AWS, Azure, or PMP. If an employee leaves within 12 months of receiving reimbursement for a certification worth more than USD 300, the amount must be repaid on a pro-rata basis.

4.5 Expense Reimbursement

- Submit expense claims through the finance portal within 30 days of the expense.
- Receipts are required for any expense above USD 15.
- Domestic travel: economy class and mid-range hotels up to LKR 18,000 per night.
- International travel: economy flights, hotels up to USD 180 per night, and a daily meal allowance of USD 55.

- Client entertainment above USD 100 per event requires pre-approval from a VP.
- Claims are paid in the next monthly payroll run after approval.

4.6 Public Holidays and Year-End Shutdown

Zentrix observes all Sri Lankan public holidays. The company also closes between 25 December and 1 January each year; these days do not count against annual leave. Customer-facing support remains available during the shutdown on a reduced rota.

5. Security and Compliance

Security is overseen by Dr. Sanjana Rajaratnam, Head of Security and Compliance. Zentrix holds ISO 27001 certification (since 2023) and completes a SOC 2 Type II audit each year. The most recent audit report was issued in October 2025 with no exceptions.

5.1 Technical Controls

- All customer data is encrypted in transit with TLS 1.3 and at rest with AES-256.
- Production infrastructure runs on AWS in the Singapore (ap-southeast-1) and Frankfurt (eu-central-1) regions. Customers choose their data region at signup and it cannot be changed without a migration project.
- Multi-factor authentication is mandatory for all employees. Enterprise customers can enforce MFA and SSO for their users.
- Third-party penetration tests are performed twice a year, and critical findings must be fixed within 7 days.
- Employee access to customer data requires a logged, time-limited approval, and all access is reviewed quarterly.

5.2 Privacy

Zentrix acts as a data processor for customer data and complies with GDPR and Sri Lanka's Personal Data Protection Act (PDPA). A Data Processing Agreement (DPA) is available to all customers on request. Zentrix does not sell customer data. Sub-processors are listed on the public trust page and customers receive 30 days' notice before a new sub-processor is added.

5.3 Incident Disclosure

If a confirmed security breach affects customer data, Zentrix notifies affected customers within 72 hours of confirmation. A full post-incident report is published within 14 days.

5.4 Reporting a Vulnerability

Security researchers can report vulnerabilities to security@zentrix.example. Zentrix acknowledges reports within 2 business days and operates a bug bounty program with rewards from USD 100 to USD 5,000 depending on severity.

6. Frequently Asked Questions

Can I switch plans mid-cycle?

Yes. Upgrades take effect immediately and are pro-rated for the remainder of the billing period. Downgrades take effect at the start of the next billing period.

Does FlowDesk have an API?

Yes. A REST API is included in the Professional and Enterprise plans. The default rate limit is 100 requests per minute per workspace on Professional and 1,000 requests per minute on Enterprise. Starter plans do not include API access.

What file types can InsightBoard import?

InsightBoard can import CSV, XLSX, and JSON files up to 250 MB each. Larger datasets should be connected directly from a database.

Is there a mobile app?

FlowDesk has mobile apps for iOS and Android, released in June 2024. InsightBoard is available only through the web browser, with a mobile-optimised layout.

How do I cancel my subscription?

Account owners can cancel under Settings, then Billing, then Cancel Subscription. Cancellation takes effect at the end of the current billing period. Data remains exportable for 60 days afterwards.

Which languages does Zentrix Assist support?

Zentrix Assist supports English, Sinhala, Tamil, and Japanese. Support for Spanish and German is planned for the second quarter of 2026.

Do you offer onboarding or training?

Enterprise plans include a guided onboarding of up to 20 hours. Professional customers can purchase onboarding packages at USD 150 per hour. Free weekly webinars are held every Wednesday at 14:00 SGT.
